

Spring Trace!

May 3rd - 5th, 2024

Hey there traveler! I perceive you are a stranger to these parts. Seeking a better place I see. Well, there is a group of us who are thinking like minded in this. We enjoy this here rough country and the rugged beauty, but we are lookin' forward to that heavenly kingdom. Well there is a gatherin' of such minded folks happinin' at the Woods at Lake Placid May 3-5. We call it Spring Trace and it be intended for encouragement, fellowship, good meals together, and diggin' into God's word a bit. So come and bring a FCF friend with.

We are plannin' to have some good trades (pack a few traid items if you like), some good tests for the young bucks to pick the next assistant scout, and good fellowship.

If interest is high we are hopin' to test those survival skills in a candlelight shoot on Saturday evenin'. Bring your own shooting supplies, gun and sight/ear protection. Candles will be provided. Please send me an email so we can plan accordingly if you are interested.

There is a desire to catch members photos for the roster at this here event so bring your prettiest finery and plan a little time for that.

Food is on your own except for Sunday breakfast (Please bring your cup). Also pack your own camping supplies. (If you don't have a shelter the chapter has some for loan. See Big Vision for details or ask me any questions).

Monies are at \$10.00 per camper for the weekend. No preregistration, just bring it with you when you come. Also don't forget the required Adult Verification Form for this event (Old Timers), and Medical Release Form for the year (Everybody).

Lookin' forward to seein' everyone!

God Bless,

Silent Warrior (Ben Longest)
